FRIDAY 9 OCTOBER 2015

PRINCIPAL’S MESSAGE

Welcome back to our last term for 2015, what a great year it has been so far. I would like to thank you for supporting us in being able to attend a staff development day on Tuesday instead of having a normal school day. The training the staff was involved in was very valuable and the ideas behind it will be utilised next year to support our students and families as well.

The school is excited to introduce Tianna Thi Ngo, our new Community Liaison Officer. Tianna will be working 2 days per week, Wednesday and Friday for this term with the hope that we can sustain this for next year. Tianna starts today and I know she will love working with us all.

We have recently developed a Facebook Page and a Twitter account so we can enhance the method of communication with you. These are in their early stages so please be patient with our use of them. I remind everyone that we have immense pride in our school and what is written on these sights can be seen by people outside our close knit community so please use the sights appropriately and mindfully.

The school has set a date for our Multicultural Day, it will be held on Friday 27 November. We are still planning the day and so will be seeking student input and parent ideas about how we can make this day one to remember. There will be more information to come.

For our Year 6 students this term is your last here at Warwick Farm Public School and we want you all to know how very proud we are of you all. We hope you have the best term ever, enjoying quality time with your friends and teachers.

Kind regards
Ms Deb Robinson

The simplest way
...to add vegies, every day!

Eating the right amount of fruit and veg can lower your risk of cancer by 5-12 percent. Yet most adults don’t eat enough of either, particularly veg — and what adults eat affects the whole family.

Did you know legumes like baked beans are a type of vegetable?

Add legumes across your day to get some extra veg in:

- Baked beans on toast for brekkie, or an easy dinner, or pack a small tin for lunch
- Add drained chickpeas to your salads
- Red Kidney beans make a tasty addition to bolognaise sauce, add towards the end of cooking.

Eating vegies doesn’t have to be complicated — aim for five serves a day, across your day.

“So you’re saying a doctor will come to our home at night? And they bulk bill?”

If your GP is closed, we’re open. National Home Doctor Service is Australia’s largest network of home visiting doctors:

- We will see over 1,000,000 patients at home this year
- Our 500 doctors are GPs and hospital doctors
- We BULK BILL every visit — so there’s nothing to pay
- Your GP will receive a patient report the next day
- The service is available to everyone

Bulk billed. In home. Out of hours.
