PRINCIPALS MESSAGE

We’ve had another busy 2 weeks at the school with a range of events and programs happening. On Wednesday, Mrs Hewitt and Mr Ward took our budding athletes to the Zone Athletics carnival at Campbelltown Stadium. We are extremely proud of the positive manner in which the students conducted themselves. A special mention for “Name withheld” from 5/6F, for making it to Regionals in 100m and long jump. Thanks Mrs Hewitt and Mr Ward for your extra efforts in organising this event.

As you are aware our Community Liaison Officer, Sharon Lalakobau is no longer working at the school, leaving her position vacant. There is an Expression of Interest Process (EOI) occurring to fill this 1 day per week position. If you are interested in applying then ask the front office for the information. Applications close on Friday 4 September 2015.

If you want to make more of a contribution to the overall running of the school then feel free to join the Parents and Citizens association. It is because of this group the school participates in banking, has mother’s and father’s day stalls as well as raise money for items for the school. Once our new CLO is appointed then you can let them know how you’d like to be involved or please feel free to come and see me.

The year 6 boys have started a program with the Police Youth Liaison Officer, Rachel Kennedy, called Try Time. Each Monday between 2:00-3:00pm they participate in lessons about building positive relationships, dealing with difficult situations and how to be a responsible digital citizen. After the lesson the boys participate in some games run by an NRL development officer and a youth worker.

Yesterday a group of students went with Mrs Brasier and Mr Thode to the Western Sydney Parklands, West Hoxton to participate in a tree planting event. The session was run by the Western Sydney Parklands Trust and the students planted Cumberland and River Flat Eucalyptus trees. Overall the student’s behaviour was fantastic so they got to enjoy the experience. Thanks Mrs Brasier for organising this and for Mr Thode for participating.

Variation to Staff Development Day

Just a reminder that a letter has gone home to inform families that the first day back to school for Term 4 will be Wednesday 7 October instead of Tuesday 6 October. This is because the staff will be offsite participating in a professional learning day. The term will end on Thursday 17 December instead of Wednesday 16 December to accommodate for this change. If you missed out on receiving this letter please ask the front office for one.

Students who have difficulty with their hearing can have behavioural and learning difficulties if the cause goes untreated. We are urging families who have concerns about their child’s hearing to make an appointment for a FREE hearing assessment at:

**COMMONWEALTH BANK SCHOOL BANKING UPDATE: PLEASE READ**

Concerns have been raised regarding the “Cosmic Light Beam Torch” reward item, due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch. Whilst this reward has been independently tested and deemed to meet relevant product standards, the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program. Parents/Guardians are requested to dispose of any “Cosmic Light Beam Torches” their child may have already received as part of the Rewards Program. Students who have previously received a “Cosmic Light Beam Torch” are welcome to redeem an alternative reward item.
