SPECIAL RELIGIOUS EDUCATION - SCRIPTURE

Dear Parents/Caregivers,

Special Religious Education, by authorised representatives of approved religious groups, takes place at Warwick Farm Public School every Tuesday. Lessons are provided for 30 minutes. Scripture teachers volunteer their time to provide this service for our children and I am sure that you value the contribution that they make to our community.

With a limited range of special religious education it is often difficult to match the stated religion on Student Enrolment forms with groups available within the school. For this reason you are asked to make an explicit nomination of the group you would like your child to attend by completing the slip below and returning it to the office. If no provision of lessons is available in your stated religion, you may select an appropriate alternative or indicate Non Scripture in the box provided. Students in the Non Scripture group engage in Independent Learning activities in their home class.

Please contact me at the school if you require any further information or if you have any suggestions.

Yours truly
